Dear Na'Jonana,

Thank you for your letter. I love to hear from students and appreciate your interest in our great state!

South Carolina is a beautiful state to visit and a wonderful place to live. From the mountains to the Lowcountry, there are countless opportunities to learn about history, participate in a variety of outdoor activities, enjoy delicious food, and meet some of the friendliest people in the nation. Our largest industry, agriculture, contributes \$41.7 billion to the state's economy and provides over 212,000 jobs. We also manufacture cars in Greer, build planes in North Charleston, and we are the number one tire-producing state in the country! Those are just a few examples of some of the great things we are proud to be doing. You can learn more about our state by visiting [www.discoversouthcarolina.com](http://www.discoversouthcarolina.com), [www.sciway.net](http://www.sciway.net), and [www.scstatehouse.gov](http://www.scstatehouse.gov).

Thanks again for writing. Keep up the good work, and I wish you the best of luck in the future. God bless.

My very best,

  
Nikki R. Haley

*Proud of you!*
