NAVSTA Norfolk supports the operational readiness
of the US Atlantic Fleet, providing facilities and services to enable

mission accomplishment. Departments include Port Operations, Emergency Management, Force Protection, Fire and Emergency Services, Safety, Environmental Support, and Ordnance (Ammunition Inventory Control). Port Operations includes port services for all ships, logistic services, the Magnetic Silencing Facility (operates the degaussing range for ships), the Service Craft Division, Material and Repair Division, Training and Readiness Division.

Naval Station Norfolk is situated in the Sewells Point area of the City of Norfolk, near the site of the battle of the Monitor and Merrimac (CSS Virginia), and is the largest naval complex in the world.

The complex is the combined home to the headquarters for Commander Naval Base Norfolk, as well as the Defense Department's largest supply center, and Naval Air Station Norfolk.

Make Every Opportunity Count!

You do not have to be on the GSA
schedule to participate.

If you are, than you already know
that you have to be seen. You have
far greater opportunities when you
meet one-on-one.

Showcase what makes your
company standout, whether it's
through new innovation, tried and
true products and services, or
unbeatable pricing.

Our events are an effective way to
meet face-to-face with government
buyers.

The event will include
Match-Making Sessions
with an opportunity
to present your product
or service to a Panel
of Government Small Business
Specialists (military buyers).

A time-slot schedule
and sign-up opportunity
will be announced.

Space is limited.
