Subject: Personhood Act Time is of the Essence!

Dear Lieutenant Governor Bryant,

Thank you for pledging to sign personhood legislation. I respectfully ask that you issue a public statement today to the SC Senate and ask for a successful Senate Judiciary vote on S217 no later than January 16, 2018 and ask for a Rules Committee Special Order slot for S217 no later than January 30, 2018. Time is of the essence! Please continue to take initiative to save the precious unborn in our state.

Sincerely,
Susan Byrd, Fort Mill

GIVING THANKS WITH A GRATEFUL HEART!
