Charles Slate Went down to Myrtle Beach State Park today with my cocker, Hunter, we opted for a beach walk, where we watched the horses in the ghostly mist. 73° very nice.

Norma Forney 6 trips to see you last year, many more planned this year! The MBSP has been my home away from home for 55 years, I grew up in that park and love it as my own! Wow, has it changed over the years but has and will always be home to me!
