Clemson University Appeals Committee
Clemson University

Dear Appeals Committee,

It is with great pleasure that I am writing this letter of recommendation for Ms. Caroline Skeen for admission to Clemson University for the fall semester. I have known the Skeen family for many years, and I am confident that Caroline will excel at Clemson University.

Ms. Skeen's interest in civics has inspired her to be active within her school and community. Caroline also is very committed to her faith which informs her actions and expressions. She has shown concern for the public good and humanity as a whole, by serving as a Delegate in the 2016 Girls State, Senior Class Vice President, and being selected as a member of Junior Leadership Anderson Class 23. She is currently serving as the President of the Astra Club.

In addition, she has demonstrated a commitment to media arts by acting as the play-by-play announcer for TL Hanna Athletics' Web Productions, and the Executive Producer of the production team at TL Hanna. Caroline is also the Anderson County School District 5 video board trainer. This ability to manage responsibilities speaks to her future success at Clemson University.

I am confident that Caroline will excel at all endeavors she pursues. I fully endorse the application of Caroline Skeen, and do so without reservation. I respectfully request that you give her your utmost consideration.

With warmest personal regards, I remain

Sincerely,
