Message:

Dear Gov. Haley,

I am one of the many conservative, libertarians who voted for you this election. I have donated to you in the past. I have campaigned for you, I have benefited from your policies. Congratulations.

Today a Federal Court struck down South Carolina's ban on gay marriage. I implore you, give up the fight.

South Carolina has been on the wrong side of history too many times. Do not make this another example.

We already fought segregation in our schools, don't make us be on the wrong side of history again...again.

You have provided so many jobs, so much positive economic growth to our counties, why waste OUR tax payer dollars and fight this anymore?

Please, let this be the final ruling. Direct your Attorney General to NOT file an appeal. Stop.

Enough money has been wasted.

The last thing I want to live in is a nanny state. We complain that the President is taking away our liberties. Don't seek to take away the liberty of love anymore.

Love isn't a choice. You love who you love. You can disagree, but it is none of the governments business.

Please, let love live. Let it flourish, no matter who it is between.

Give me freedom, or give me death. Defy tyranny. My dear government, leave us alone.

Sincerely,  
Hunter Jackson
