I'm looking to reserve the primitive sites at Santee for my Cub Scout pack on October 15th and 16th. Are those sites available and what would the cost be, please?

I've tried calling Santee and the 1-866 number and no one ever picks up.

They are only available to answer during office hours. Call the reservation number anytime between now and 5:00 at 1-866-345-7275. They will have to help you with this reservation.

I did. No one picked up. I left messages, no one returned them. I called and emailed, during office hours.

I would keep trying. You may also call the park directly. If they are extremely busy, they may not be able to answer. Please keep trying.

Have you tried this morning? I'm sorry, the only other suggestion I have is to call our central office at 803-734-0156.
