Dear Emilee,

I heard from your great-grandfather that you are learning about the United States. How exciting! I would love to share some information with you about what makes South Carolina so special.

South Carolina is a beautiful state to visit and a wonderful place to live. From the mountains to the Lowcountry, there are countless opportunities to learn about history, participate in a variety of outdoor activities, enjoy delicious food, and meet some of the friendliest people in the nation. To learn more about the Palmetto State, please visit www.sciway.net, www.scstatehouse.gov, and www.discoversouthcarolina.com.

I wish you the best for a great school year. Keep up the good work! God bless.

My very best,
