Subject: Proposed Comments on Child Care Federal Regs

When I met with Christian about our concerns about the proposed federal regulations for CCDF, we agreed that I would write a letter, to be signed by Lillian, to provide formal comments to the feds.

I have read the draft letter from the American Public Human Services Association (APHSA) on behalf of all the states, and it is very similar to this one.

Comments are due Monday Aug 5, and I am in Washington all next week. So I am copying everyone (and including our comment document for your reading pleasure). If you can get comments back to me I will finalize next weekend when I return, and get Lillian's final approval on Monday Aug. 5 to send.

I am available by cell and email all week.
