Morning - Just completed the call with Jamie. He is going to aim to be in town Sunday evening or first thing Monday. This will give him an initial look at the space Sunday evening.

Either way, I told them we would like to be prepared for the Governor to do a run through on the actual set by Monday evening. We will want to do it once it is dark.

He is bringing a crew and equipment with him from DC. I know the crew well which makes me feel a lot better. Solid guys with a lot of experience with this sort of stuff.

Any word on the dual teleprompter?

Hi, Bryant. Great to work with you again. We are looking forward to covering the response address Tuesday. I've got my staff together and we are making travel plans now. A call at 1100 works for me. We should be able to work out a better plan from our end and shapebit to meet the Governor's needs.

Hi Jamie - Hope all is well. I had a good initial visit to the proposed site today. Do you have time for a brief call tomorrow morning around 11 am eastern?

I can assist with some of the technical questions you had for Rob and the team. I would also like to begin working with you on a production timeline.

Thank you.

Bryant

Jamie & Rob,

Wanted to introduce the two of you. Rob is the lead for Gov. Haley for the GOP response, Jamie is the lead for the FOX pool which will be covering this response.

I will let you two take it from here. Let me know if I can be of any help!

Best – Sarah
