Message:

I just want to say Thank You for the response I received after my last Email about the Corrections inmate with the serious medical problems; and I want to thank you for your support of the upcoming Response to be held at the North Charleston Coliseum on June 13, 2015. I believe our country is in grave danger of losing the high status we have held among the countries of the world and more importantly, our favor with our God who created all of us and this world.

I am very proud of you for your support and participation in The Response
