Director Taylor,

Please reference the emails below - from Rep. Beth Bernstein and details about the Richland County Community Meeting.

Do you think it would be possible to have a representative from DNR to attend the Richland Community Meeting to answer questions?

Please call my cell if you have any questions.

Thank you,
Katherine

Frank Brunson, the Mayor of Forest Acres called me about having a DNR representative there. Apparently, DNR is assessing flood damage to businesses/homes in the area to see if it is more than 50% threshold when building codes would change. Can we have someone there from DNR?
