DEW has asked us to help get this signed ASAP – it's an MOA for the printing of the National Career Readiness Certificate cards, as part of the Certified Work Ready Communities project. The cards are essentially wallet-sized mini-diplomas, so they'll contain some sensitive information on them (I think including test scores).

Corrections submitted a bid for the printing job, which DEW would like to accept. The associated MOA addresses the privacy considerations.

Is there any chance we could ask Judge Byars to review and hopefully sign off on the MOA this week? Note that they'll need to change "September x" to the actual date of signature on page 1.

If Corrections has any concerns or changes, Elisabeth Kovacs at DEW is the contact, at (803) 737-2681. Thanks.

Hi,

Attached, please find the MOA for Judge Byars to sign for the printing of the SCWRC NCRC cards. This is standard DEW language and we've added specifics regarding the scope of services and pricing (based on their quote). If Corrections has any problems with any of the language, let us know and we'll work with them.
