April NCRC data posted

We have updated the **CWRC website** with county-level National Career Readiness Certificate data through April 30. We publish the NCRC data at the state and county level to provide information to help policy makers and economic developers develop their workforce. May data is scheduled to be published no later than Jun 20. Thank you for your continued interest and support of ACT Certified Work Ready Communities!

Debra Lyons
Vice President, Community and Economic Development
Workforce Development Division, ACT, Inc.
