Subject: FFM Stakeholder Leadership Group Broker/Navigator SubCommittee

Group Members:

I have been asked to head up a sub committee for our overall group that will focus on the Broker / Navigator issues in the marketplace.

The primary goals of this group will be to discuss the roles of both the navigators and brokers in the marketplace in SC. What are the commonalities? What are the differences? And what should the best practices for each group as the law defines them in SC?

I am looking for individuals who would like to serve with me on this subcommittee. If you, or someone from your organization would like to be a part of this group, please let me know. I will be looking to schedule a meeting within the next two weeks either in person or via conference call.

Thanks,

Mark C. Riley
