Below is the information for the bill signing request for H.3266. I have the bill to make the copies. Are we going to move forward with this event for next week as requested?

Please note, they would like to discuss 2 other bills with N. S. 281 and S.282.

Thank you!

Haley:

Great talking with you! And thank you for your help! I hope Governor Haley is able to work us into her schedule on Tuesday or Wednesday. We would like to hold the signing in her office or a conference room at the State House. We are not planning on media attending. Most of the organizations would like to include photos and information about the bill in a press release, and emails and newsletters to members, and for their websites. We will also mention that two other tort reform bills, S.281 and S.282 are still in Senate Judiciary and are important legislation for the business climate of our state. These two deal with court transparency and liability reform, two areas that Governor Haley strongly supports.

These are the organizations who plan to attend a bill signing/photo-op with Governor Haley. A few may depend upon the date and time of the signing. However, most listed below have indicated they would be there:

Cam Crawford, Executive Director of the SC Forestry Association and one representative from his board  
Gary Spires, Division Director, Government Relations, SC Farm Bureau  
David Winkles, President, CEO, SC Farm Bureau  
Michael Wright, State Legislative Coordinator, SC Farm Bureau  
John Dillard, Resident Vice President - State Government Affairs, CSX Transportation and someone from CSX Headquarters or Regional Office  
Cathy Novinger, Executive Director, Palmetto AgriBusiness Council and either their president or board chair  
J.J. Darby, Chair, Executive Committee, SC Civil Justice Coalition  
Earl Hunter, Executive Director, SC Civil Justice Coalition

Depending on the date and time, Rep. Hiott, the bill's primary sponsor in the House may attend. Sen. Massey and/or Sen. Campsen may, as well.

Kindest regards,  
Earl
