Subject: Speaking Reques: MFCR

Good evening,

The MFCR (Mississippi Federation of College Republicans) will be hosting our annual convention on Saturday, February 13th from 1-4 p.m. at Millsaps College in Jackson, MS. We are expecting 40-50 students.

At convention we will have two guest speakers, a small welcoming reception, a breakout session, and a business portion to elect our 2016 officers. We will also be setting our official game plan to take back the White House in 2016.

We would be honored to have Governor Haley attend as our keynote speaker for the convention. We have two speaking slots. One time slot is at 2:45 p.m. and one at 1:30 p.m. Our Events Committee has not set our official schedule so we can alter the agenda in order for Governor Haley to speak at a certain time if needed.

If available, we would like for the speech to be around 15 minutes long, and speak on the importance of millennial involvement in elections, the future of the GOP, and give some encouraging words to the future leaders of our party and nation.

If needed, I can send a brief bio of our organization.

Again, I personally think Governor Haley has done a tremendous job as Governor and I speak on behalf of all our Executive Board when I say that it would be an honor to have Governor Haley serve as our keynote speaker at convention.

If you have any questions, please feel free to contact me. The second contact for the event is Executive Assistant Anna Grant.
