Terry,

Thanks for reaching out, unfortunately the governor doesn't have availability to join you all tomorrow.

However, I'm happy to let you know if anything changes in her schedule.

Dear Chaney:

I'm with MSNBC and wanted to see if Gov. Haley might be available tomorrow to do Andrea Mitchell's show at noon.

We are doing our regular show tomorrow as pre-debate coverage and wanted to see if Gov. Haley could join, even if by phone, to give us an update on the aftermath of Hurricane Matthew. Please let me know if possible and we'll go from there. Thank you. All the best, Terry
