Dear Mr. Black,

Thank you for your quick response to my long awaited answer. I will be looking forward to our repaved Estates Drive sometime between July/August.

Again, appreciate the update.

Regards,
Ann Iademarco

Ms. Iademarco,
The Governor's office asked that I provide you with an update on Estate Drive, S-15-649. This road was submitted as part of our 2016 non-federal aid resurfacing that was submitted to Columbia last month. The contract for this work is currently scheduled for letting later this summer. Please feel free to contact me if you have any additional questions.

Hello Governor Haley,

I am at my wits end In trying to understand something. Why on earth does the Highway Dept come out to a dirt road to smooth it over at least twice a month (Lemon Road) and we haven't had our road (Estates Drive) repaved after it was scraped & prepared for tarring for 10 years ago?? Our local people tell me that Estates Drive is a state road & needs to be handled by the state. No one wants to take ownership. I just want it repaved. There is so much traffic on this residential road because of schools nearby & so many potholes that can take no more filling. I walk 7-8 miles a day and this is THE WORST STREET in this county!

Will you please point me in the correct direction so I can finally get a solution to our problem?
Appreciate your time and keep up the good work!

Sincerely,
Ann Iademarco
