Dear Governor Haley,

I am writing to request that you oppose H.R. 1217 as it will do nothing to solve the problems that need to be addressed like true mental health problems and is not needed as there are already laws on the books that if enforced would do more good and there is already a background check system in place.. Additionally it has been proved that no background check system would have stopped the past tragities ie. all offenders had either passed checks or stolen the firearms used.

Please oppose H.R. 1217 as the useless piece of legislation that it is.

Thank You for you consideration in this matter.

Sincerely,
Thomas Brandon
