The attached information is forwarded to the attention of the Honorable Kevin L. Bryant, Lieutenant Governor of South Carolina.

The SC Commission for Minority Affairs will convene a "Working Together Works" Summit on April 20, 2017 at the Columbia Metropolitan Convention Center. The summit will bring together stakeholders from the state's public and private sectors, faith and community-based organizations, advocacy groups, and individuals to begin developing a statewide plan to forge new pathways to prosperity in an effort to alleviate the causes and effects of poverty and deprivation in the State. We would sincerely appreciate the Lieutenant Governor bringing greetings to the summit's participants.
