Hi Chaney,

Alicia Barnes forwarded me your email. I would love to sit down with the governor on Tuesday to talk about the year anniversary. 10:25 a.m. is perfect for me.

Crysty, does it work for the calendar?

Thanks for reaching out. I look forward to the conversation.

Best,
Grace

Alicia,

Ahead of the one year anniversary of last year's 1,000 year flood we wanted to offer you the opportunity to sit down with the governor to discuss the floods impact on the Midlands, recovery and the work that is still left to do.

It would be a 7-10 min interview next Tuesday September 27 at 10:25 AM.

Thanks so much and please let me know what works for the station.
