South Carolina State Parks

at 12:23:09 on 3/25/2020 UTC

A reminder that our parks are closed today (3/25) and tomorrow (3/26) to day-use visitors. But never fear! Ranger Terry will be coming to you LIVE from Charles Towne Landing at 10 a.m. to give you your daily dose of state parks and to talk about paddling basics and safety. We also might have a bonus ranger with another story from Charles Towne Landing! See you at 10 a.m.

Danice Cunningham Meunier Oooh! This would help with steps 1 and 2 of this Girl Scout badge. <http://fairbanksgirlscouts.org/wp-content/uploads/2018/10/Senior-Paddling-Badge-Requirements.pdf>

Esther Wagner Oh good. Because watching someone else at a park on our computer is the same as being at a park?

at 12:58:39 on 3/25/2020 UTC

Glenda B Shelley When will parks reopen?

at 13:30:41 on 3/25/2020 UTC

Laura Norris Daniel I'm sure y'all needed the break from the mobs to regroup and rest. Enjoy the next 2 peaceful days.

at 13:51:13 on 3/25/2020 UTC

Kay Blakely Esther Wagner it's better than nothing.

at 14:05:02 on 3/25/2020 UTC

Esther Wagner Kay Blakely Is it?

at 14:11:12 on 3/25/2020 UTC

Valerie Lamott What is wrong with you? These rangers are doing a fantastic job sharing the parks in a way that's SAFE. We'd all rather be actually outside in the park, but you know what? It's not safe right now. I am absolutely loving these videos and appreciate the effort that's gone into making them.

at 14:12:01 on 3/25/2020 UTC

Kay Blakely Esther Wagner you're more than capable of turning off your phone or computer and not watching the live videos. No one is forcing you to do so. These park rangers and staff have been working their behinds off keeping the parks open and clean and they deserve a break. They also deserve to be kept safe from this virus.

at 14:15:18 on 3/25/2020 UTC

Steve Owen Very good.

at 14:20:08 on 3/25/2020 UTC

Charles Slate Kay Blakely no, not really.

at 15:04:12 on 3/25/2020 UTC

Kay Blakely Charles Slate I'm confused as to what you're saying? Are you saying she's not capable of turning off her phone/computer or the people on the parks haven't been working their behinds off?

at 15:14:33 on 3/25/2020 UTC

Carl Berube Glenda they are only closed today and tomorrow.

at 15:20:05 on 3/25/2020 UTC

Accdc Corley All parks are closed today?

at 15:28:44 on 3/25/2020 UTC

Glenda B Shelley Carl Berube thank you

at 15:29:14 on 3/25/2020 UTC

Hillary Mangrum Imagery Esther Wagner good grief can you be anymore negative at least they are trying!

at 15:37:33 on 3/25/2020 UTC

Bryan Walker Kay Blakely thank you! I work for the parks and very much appreciate your kind words. Although we may be closed today and tomorrow, some staff still have to report (me 😊) to ensure our restrooms, campgrounds, and cabins are up to the stringent standards required during this unprecedented time.

at 15:42:19 on 3/25/2020 UTC

Esther Wagner Hillary Mangrum Imagery Glad you edited that comment. This was said light-heartedly. I love SC Parks and consider several of the rangers as personal friends. Dawn at Musgrove Mill and I can talk for hours. I walk the trails all the time and love being outside. This was not an attack.

at 15:43:48 on 3/25/2020 UTC

Hillary Mangrum Imagery Esther Wagner ok well sure seemed that way! Just really tired of negative people and their comments that's all.

at 15:46:39 on 3/25/2020 UTC

Esther Wagner Kay Blakely This was meant lightheartedly. As in I miss being outdoors. Sorry you took it otherwise and went into attack mode.

at 15:54:35 on 3/25/2020 UTC

Kay Baker Bryan Walker thank you Bryan!! We are all in this together and will get through this. You all stay safe and we will see ya when this is over. Yall are much appreciated us 🤝

at 16:24:42 on 3/25/2020 UTC

Esther Wagner Kay Baker What?

at 17:21:50 on 3/25/2020 UTC

Kay Baker Esther Wagner pretend you are in the great outdoors as the park rangers go live

at 17:22:27 on 3/25/2020 UTC

Esther Wagner Kay Baker Oh. I get it.

Connie Wright Hundley I was camping in the Ohio State Park and had reservations until April 3rd. They came through and evacuated everyone and give us six hours to find somewhere to go. There is nowhere to go so now those of us that are full-timers are hanging out with the public and Walmart and Meijer and traveling around. Sounds like a great plan doesn't it? Thanks Ohio!

at 16:03:03 on 3/26/2020 UTC

Lee Staelens I hear all state parks are closing for the month of April starting tomorrow

at 16:45:24 on 3/27/2020 UTC

Esther Wagner I knew this would end up being permanent. The dire warnings about this virus are turning out to be wrong. We have overreacted based on conjecture and are destroying our economy.
