Subject: Discovery Responses ICO "I Believe" litigation

Val,

On October 31, I sent you the Plaintiff's First Set of Interrogatories and Request for Production for the "I Believe" case. Below are two interrogatories that we will need your assistance in answering.

1. For the basic South Carolina license plate, identify the portion (in dollars and cents) of the \$24.00 biennial registration fee that serves to defray:

The cost of plate production and the cost of processing the vehicle registration.

2. For the current complement of specialty license plates offered by DMV, indicate (in dollars and cents):

The range of pre-plate production costs and the range of per vehicle registration processing costs.

Thanks,
James
