Dear Nikki,

No longer are we willing to wait for answers. **Having instant access to information is now a requirement.**

With HughesON™ MediaTV
<<http://pages.myhughessolutions.com/R00j1k3MZu000090V2A1iF0>>you can give all of your employees, constituents and visitors **the information they demand. . . when they want it!**

HughesON MediaTV is a suite of products and services designed to provide **high impact, digital messaging alongside live broadcast TV.** And you can program that messaging across all of your sites or by branch location, **mixing and matching videos, images, Web pages, and feeds** for a fully custom user experience.

Grab Their Attention

•

Hughes LobbyTV™ – Provides visitors access to important information on

agency events, activities, and special programs; weather and news; and live entertainment or recorded content, including video highlights of local civic events.

- **Hughes BreakroomTV™** – Provides staff with easy access to information related to the agency and to entertaining during work breaks.
- Service includes **installation and the hardware to distribute content across locations.**

Tailor your message to constituents and employees using broadcast live TV.
