Dear Friends,

On behalf of the people of South Carolina, I am pleased to send congratulations to Zion Baptist Church on the occasion of your 150th anniversary.

Michael and I hope you enjoy this wonderful time together as you celebrate the rich tradition of faith and service that has united your congregation for 150 years. We thank you for the commitment that you continue to show to your community and our great state. South Carolina is better because of Zion Baptist Church, and we wish you all the best for a wonderful anniversary. God bless.

My very best,
