Client/user impact

The 4.11.1 Works release will be deployed during the scheduled maintenance window on Saturday, March 7th until Sunday, March 8th. Additional details about the release will be provided prior to the release.

****Important System Update for Legacy UI Users****

To support the acceleration of moving users to the new UI, an online message will be added to the legacy Works UI reminding all users of the May 31st sunset date. Program Administrators should be aware of this message and be prepared for any user questions. A screenshot of the message is included in the Release Notes which can be accessed by following the directions below.

- Legacy UI
 - Log into the Works application: <https://payment2.works.com>
 - Go to "Tools" on the left-hand side of the screen
 - Click on "Training and Help"
 - Click on "Release Notes"
 - Click on "Release 4.11.1"

- New UI

- For clients utilizing the New Works UI, simply select the “Release Notes” link located in the footer of the home page.

Actions

As with any maintenance period, customers should always monitor any file transmission attempts and be prepared to resend unsuccessful transmissions.

Please let us know if you have any questions or suggestions. As always, we appreciate your business and look forward to continuing to provide the enhancements and capabilities to meet your business needs.
