Please explain to me why, I am not eligible for the Freein15. I worked for Aiken County School District for 17 yrs. Had to retire in 2002, I had a heart attack on top of Brook Haven Building in Aiken.

I have Medicare which is my Primary. My State Health Plan is my secondary. I have prescriptions that I can get free if I make my Medicare my secondary ,I can do that and the State will pay ALL MY BILLS.All I want is what I worked for many years.

Then I have this thing about a \$50 Fire Fee. If my house catches on fire it will take about 1 hour if not longer for the Elloree Fire Dept. to get here. By then I will be without a house and \$50. How will my Spouse and myself Live then? No house ,no food, NO NOTHING. Its hard to make it now, applied for Food Stamps with my income we are OVER THE LIMIT by \$15. HELP US WE NEED THE FREEIN15, NO FIRE FEE ,HELP WITH GROCERY. I know we are not the only ones who need the help. I have not asked for any HELP from any one before.HHHEEEELLPPPPPP.
