Dear Gov. Haley, my name is Jeffrey Carnes. Im a proud resident of Pageland, SC. I would really appreciate it if you would pass the SC Deer Bill S. 454. The quality of White tail deer in areas of S.C are few and far between. I am a avid outdoors man and take pride in my time in the outdoors. By passing this bill it would benefit the state in years to come. Not only with more and bigger deer. But also revenue for the DNR with more people wanting to come to SC for hunting! Please Gov. Think about this bill and put it to action.. Thanks and God Bless.

Sincerely,
Jeffrey A Carnes
