Recall, one Ethics Commissioner wants to revisit the University of South Carolina football ticket opinion. This issue has been put on the Ethics Commission agenda for July 20th. The Ethics Commission attorney plans to present the Order as adopted (allowing the practice), introduce the Commissioner's proposed, revised order (disallowing the practice), and allowing discussion. The Commission attorney stands behind the original opinion, but he's not sure whether the other Commissioners will be swayed. Butch will be there to present for us in the event its necessary.
