Subject: Security Roles for PBF

Tony:

We spoke earlier to determine who would need access to PBF and decided that it would be you and Tommy Taylor. We are now in the process of assigning roles. There are two options: Approver and Initiator. The difference is the Approver has the ability to approve forms and send to the State Budget Division. Both the Initiator and Approver have the ability to enter the data.

Please let me know how you would like to establish the roles for you and Tommy.

Thanks,
Brenda
