I'm sure many of you have seen this by now but if not... The administration has proposed its FY'19 budget. The proposal eliminates or cuts programs for seniors. It looks like SHIP and SCSEP are going to be ongoing battles each year. You can click on the NCOA link below to get their budget narrative. I've provided a list of the budget items below.

Budget negotiations between administrations and congress are unpredictable at best...

Fiscal Year 2019 Budget Proposal From the Administration

Proposed to be eliminated

SHIP
SCSEP
Falls Prevention
Chronic Disease Self-Management Education (CDSME)
