Dear Mr. Jackson,

Our office received your Freedom of Information Act request for "all documents related to the Wando Welch Terminal in Mount Pleasant, S.C., from June 19, 2016 to the end of business on June 24, 2016" including "emails, schedules, and correspondence within and between the governor's office and state agencies, departments, companies, members of the public and any other applicable parties regarding the Wando Welch Terminal."

Our office possesses records responsive to your request. Our office will provide any and all records in our possession that are responsive to your request, subject to any exemptions or redactions as allowed pursuant to Section 30-4-40(a) of the South Carolina Code of Laws or as is otherwise exempt from disclosure by statute or regulation or prohibited from disclosure by court order.

Due to the high volume of Freedom of Information Act requests received by the Governor's Office and the significant costs associated with producing the requests, our office will charge a reasonable cost for searching and copying records as allowed pursuant to Section 30-4-30(b).

As soon as a cost estimate has been determined, we will let you know.

Sincerely,

A handwritten signature in blue ink that reads "Holly G. Pisarik /rs".
