Subject: USA TODAY interview request with Governor Haley: Charleston shooting anniversary

---

Ms. Adams,

My name is Michael Burke and I am a reporter with USA TODAY. Right now we are working on some stories for the one year anniversary of the tragic shooting in Charleston, and I was hoping to set up an interview with Governor Haley – if she's available – sometime this week or next, just to talk about what the past year has been like for her and how the shooting may have changed her.

If she is interested/available, just let me know and hopefully we can set up a time to talk.

Best,

Michael Burke
