And add "Pitts the Puppet" of SC chamber and David Tigges the "Non Transparent Lawyer" who wants to keep allowing theft of public monies in Sc, tied to Ole Paula Bethea , who I call the "old fox watching the hen house"

Paula you have lots of explaining to do. <http://www.fitsnews.com/tag/paula-harper-bethea/>

It's time to drain the swamp in SC and Hilton head. Add Charleston and Myrtle beach. David tigges as well as both past chairmans of this Hhi chamber with Bill miles. What interesting is how

you and Bill miles both are at 400k salaries and what we don't know until Everything you both have touched has a deep / wide forensic investigative audit done. I look forward to that. I will say 100% when Bill

Miles on Hilton head and Helen hill in Charleston is audited, they both are going to prison. To add SC chamber needs an audit as well , as a Ted Pitts and Otis Raul refuse to be transparent, only one reason something to hide. Time to drain the swamp and fish pond and restock. Also the coyotes are out of control in Sc and need to be controlled. Thanks
