Dear Taylee,

I hear you are working on a report about South Carolina and that you have even been here on vacation before. How exciting! I am so proud to be governor of this great state, and I'd love to share some information with you about what makes it so special.

South Carolina is a beautiful state to visit and a wonderful place to live. From the mountains to the Lowcountry, there are countless opportunities to learn about history, participate in a variety of outdoor activities, enjoy delicious food, and meet some of the friendliest people in the nation. To learn more about the Palmetto State, please visit www.sciway.net, www.scstatehouse.gov, and www.discoverouthcarolina.com.

I wish you the best of luck in the future and hope you will have a chance to visit again soon. Keep up the good work! God bless.

My very best,
