\* PAST CHAIR

Dear Friends,

Stanley Tate and his employees wish you and your loved ones joy this holiday season and send their best wishes for a happy, healthy and prosperous New Year. This greeting continues Mr. Tate's long-standing holiday tradition of making a generous gift to Easter Seals South Florida in lieu of sending holiday cards to friends and associates.

Like all families, our Easter Seals family has beloved holiday traditions that we look forward to this time of year. Students with special needs in our Child Development Center and in our elementary, middle and high school programs for students with Autism and other disabilities truly look forward to our school's annual holiday party hosted by Mr. Tate every December. Our students know that he will present each of them with a gift specially selected for them and their excitement and joy completely fills the room during Mr. Tate's party.

Mr. Tate's kindness and support for Easter Seals extends throughout the year and truly makes a difference in our ability to support and strengthen families living with disabilities in our community. His genuine care for students with special needs is selfless and a reflection of his commitment to sharing his resources and talents to help so many in our community who are less fortunate than most.

I hope you enjoy many wonderful traditions during this holiday season and am pleased to invite you to come to see our programs at Easter Seals South Florida so you may see firsthand the extraordinary programs that are truly life changing for so many special children.

I wish you and your family many blessings in the New Year.

Warmest regards,

Loreen Chant  
President/CEO  
(305) 547-4757
