**Subject:** FW: You're invited to join a conversation with ACT

All,

At our meeting June 6<sup>th</sup>, I mentioned an upcoming call with ACT. I followed up with ACT and let them know that members of the Leadership Team were interested in participating and Debra said she would “look into it”. I heard from Debra last night asking who was planning to be on the call. If you are interested and/or available to participate, please let me know and I will pass along to ACT. The call is scheduled for tomorrow at 11 (see below email). I would like for someone to be on the call other than just me.

ACT has not shared who they have invited or an agenda for this call but they have informed us that all the “right” people will be on the call to answer any questions we have. The two pressing things for SC are:

- 1). WorkKeys scores on the NCRC's
- 2). NCRC Plus-Talent assessment pass/fail and misrepresentation issue

Please let me know if you have other things that need to be brought up!

I did reach out to the multi-state NCRC group to see if some of them were invited and someone from KY and Oklahoma said they were invited to participate.

Thanks.

EK
