

Dear Governor Haley:

In the name of protecting our deer population, the SC DNR has put forth bill S.454 to change the deer hunting laws in South Carolina. Instead of narrowly tailoring the hunting laws to reflect the various habitat and competing species across the state, S. 454 will force a one-size fits all deer management strategy onto all hunters in South Carolina. The bill doubles the limit of does allowed in the Upstate while reducing the limit of deer in the Lowcountry. S. 454 will force all hunters to purchase antlerless deer tags, limit the harvest of bucks, and in doing so will encourage hunters to take far more does. **Please veto this legislation.**

Sincerely,
