Chaney will you reach out to these folks? Say we have the request, appreciate them and that we will be back in touch when we know more about availability?

Subject: College Republican Interview Questions

Nicole,

Below are the questions that we intend to ask at our interview:

#### Political Questions

1. How did you get your start in South Carolina politics?
2. What are your goals for the upcoming legislative session?
3. What is the most frustrating part of getting laws passed through the legislature?
4. Do you feel as though your experience in the legislature helps you when communicating with senators and representatives?
5. What is the most challenging aspect of being governor of South Carolina?
6. What is an accomplishment of your administration that you are proud of ?

## Personal Questions

1. What is something about you that not many people know?
2. Who is someone that inspires you?
3. What are some of your favorite things about South Carolina?
4. When did you first realize that you were a conservative?
5. What would your message be to younger voters who are at times hesitant to get involved in politics due to the established nature of the system?

There are just a few dates that we wouldn't be able to do it:

September 22nd: Meeting with York GOP

September 23rd: Meeting with Clover Women's GOP

September 26th: Debate Party

October 4th: Debate Party

Although we prefer to do it on a Tuesday or Thursday, we could do it on a Monday or Wednesday if need be and still be able to make it to Columbia by around 5:30. In addition, we would be available to do the interview on a Friday morning if Governor Haley is available for that (only date we wouldn't be able to do is September 30th).

We are pretty flexible regarding our scheduling. We hope we can schedule this and we appreciate you helping us out with this. If you have any other questions, please let me know.
