Here's a fun photo for your Tuesday afternoon! Hiker Mike MacDougall took this after his climb to the top of Table Rock.

**Mike**

Top of Table Rock!

**Candace M Mack** Glad it's not smellovision! lol

**Dan Goodwin** I've sat in that very spot myself. That little mountain below is called The Giant's Stool. Indians lore said a giant used that as his stool when he ate off Table Rock.
