**Tell us: What research would support family caregivers?**

NCOA co-leads the Family Support Research and Training Center at the University of Illinois at Chicago. We want to hear from you about what research is needed to improve supports for family caregivers. Submit your ideas, vote, and participate in the discussion!

[Share your ideas in English](#) or [Spanish](#)

**See our priorities for the 114th Congress**

We've posted our 2015-16 Public Policy Priorities for Congress. See what NCOA is pursuing as tier 1, 2, and 3 issues for older adults, especially those who are most vulnerable.

**First WHCOA forum held in Tampa**

Last month in Tampa, the 2015 White House Conference on Aging held its first of five regional forums. Over 200 older adults, caregivers, advocates, community leaders, and experts in aging participated. More events are scheduled, and we encourage you to use the WHCOA discussion guide to get involved!

**New name for National Senior Citizens Law Center**

An important voice for low-income seniors has a new name and tagline—Justice in Aging: Fighting Senior Poverty Through Law. The organization will continue to focus on advocacy and litigation to secure the rights of low-income seniors.
