Meet Bobbie in the red vest. Bobbie was recently hiking at Oconee State Park and became dehydrated & fainted. Her friends called the park rangers, and Ranger Laura (left) & Ranger Faithe (right) were on the scene to help. They brought her water and transported her off the trail. She wanted to thank them for their kindness & helpfulness. Bobbie, we are glad you are doing well, & Ranger Laura & Ranger Faithe — you rock.
