The Honorable Nikki R. Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

Regarding a State Minimum Wage Increase,

I believe that raising the minimum wage will not increase the livelihood of those under the poverty line and will instead force small business out of business thus losing more jobs. More effort into helping small business and job creation is in order, not paying more for less work.

A proud member of National Write Your Congressman.

Sincerely,

Sara Borkosky
