Adding an Authorized User

All correspondence, including credit cards, statements, and notifications will be sent to the name and address on file for the primary cardmember. The primary cardmember is responsible for repaying all balances on this account. Authorized users will have the same charging privileges as the primary cardmember but will not be financially responsible. We provide account information to the credit reporting agencies for all account users. This information could impact an authorized user's credit score. By requesting to add an authorized user to your account, you affirm that the name and address provided are for true person(s) with whom you have a relationship and who are authorized to use your Credit Card. If Chase determines the name and address provided are false, Chase reserves the right to close the account.

⁵ Platinum status valid as long as your Hyatt Credit Card is open and not in default and you comply with Hyatt Gold Passport program rules. Authorized users will not be eligible for Platinum status or associated Platinum benefits.

⁶ You will earn 3 Hyatt Gold Passport® points for each \$1 USD of Net Purchases made at participating properties and locations that are Hyatt owned, managed, franchised or licensed by Hyatt Corporation or its subsidiaries or affiliates. You will earn 2 Hyatt Gold Passport points for each \$1 USD of Net Purchases made in any of the following categories: restaurants (excluding dining purchases at participating Hyatt properties and locations that qualify for the 3 Hyatt Gold Passport points described above); airline tickets – when purchased directly from the airline; car rental agencies. Merchants who accept Visa® credit cards are assigned a merchant code based on the kinds of products and services they sell. Chase groups similar merchant codes into categories for purposes of making rewards offers to you. Chase makes every effort to include all relevant merchant codes in its listed categories. However, even though a merchant or the items that it sells may appear to fit within a listed category, the merchant may not have a merchant code that falls within that category. Therefore, purchases with that merchant will not qualify for the stated rewards offer on category purchases. For more information about Chase rewards categories, see www.Chase.com/RewardsFAQs. You will earn 1 Hyatt Gold Passport point for each \$1 USD of all other Net Purchases. ("Net Purchases" are purchases of goods and services made by you or any authorized user on your account minus any returns or refunds, and do not include balance transfers, cash advances, cash-like charges such as travelers checks, foreign currency, and money orders, any checks that access your account, overdraft advances, interest, unauthorized or

fraudulent charges, or fees of any kind, including an annual fee, if applicable.) There is no maximum number of points that you can accumulate in the card program. You must also be a member of Hyatt Gold Passport. See Card Program Rules and Regulations, which will be mailed after your account is established. All Hyatt Gold Passport terms and conditions apply and are available at goldpassport.com.
