Subject: Thank you

Christian,

Thank you for taking time out to meet with Naomi today. I'm really proud of the work going on in our Children Come First partnership. It's going to change the way SC thinks about foster children and the services they and their families need.

We've got a lot going on around the United Way network and the support of both you and Governor Haley means a great deal to us.

Looking forward to working closely with you!

Timothy M. Ervolina President
