Subject: Internship Opportunities

Good Afternoon Chaney,

My name is Alex Nowlin and we briefly met last semester when Winthrop University students came to meet with their respective legislators.

I am emailing you in regards to your position in the Governor's Office. I am exploring my interests in media with state and local politics and I was wondering if there was an opportunity available or something I could potentially submit a resume for to work with/shadow you next semester?

Let me know.

Respectfully,

Alex
