Subject: CNN inquiry on confederate flag half mast

Hello Rob & Chaney,

I'm a political reporter at CNN looking to confirm the reports that Gov. Haley does not have the power to order the confederate flag on the capitol grounds be lowered to half mast. Is it true that flag can only be ordered to half mast by the General Assembly?

Has Gov. Haley reached out to the General Assembly to bring that flag to half mast as well?
Who would be responsible for that? The speaker?

Would like to speak more about this. Could you give me a call at 202 515 2290?

Thank you,

Jeremy
