Don't know what y'all would normally send, but below is a suggestion. I welcome edits.

"Tomorrow Gov. Haley, DSS Director Alford, and DEW Director Stanton will hold a press conference to celebrate some of changes to the Supplemental Nutrition Assistance Program (SNAP) that went into effect this month. We are confident that the increased interaction between DSS and their ABAWD SNAP recipients (able bodied adults without dependents), and the collaboration between DSS and DEW will assist these individuals gain the workforce skills and training they need to acquire self-sustaining, permanent employment.

Attached to this email is a one-page backgrounder describing the ABAWD SNAP program."

DG - Please email us the message we want to include in the email to the General Assembly regarding the one pager. For some this will be the first time they've heard of this.
Do we know if Murrell and Alexander have been briefed?
Thanks, KV

Katherine,

In advance of tomorrow mornings SNAP press event, feel free to circulate to the GA the attached one-page summary DSS put together describing the changes that took effect last Friday, and that we will be discussing tomorrow. DSS has also been sharing this information.
