Ginny – can you please talk to the Senate attorneys about the federal policy issue? I agree with your comments in that regard and the Senate attorneys should be made aware of the issues.

Katherine and Swati: I tried to create a document that pointed out some issues related to implementation in an acceptable manner. I am send it to you for review. Jessica told me about discussions in the subcommittee and with the Senate's attorneys outside about their intent to follow federal policy.

I will send a suggestion for the penalty provision for the coroners in a little bit. I wanted to get the attached in your hands as soon as possible.
